

HOW TO PLAY TRASHKETBALL

- STEP 1:** Students divide into 3- 4 teams, stand or sit together as a team
- STEP 2:** Each student finds a few pieces of paper/scrap paper and a pencil or marker
- STEP 3:** The instructor will read the following *KnowGO questions to review each module
- STEP 4:** Students write answer on paper and then crumple it up into a ball (*10-15 seconds per answer*)
- STEP 5:** Teams line up and try to make the **basket with the wad of paper—the team who makes the most baskets wins that question/round

**Note for instructors: There is an advanced upper grade list of questions (grades 1-3) and a beginner, lower grade set of questions (grades 3-5). Please select the group most appropriate for your class.*

***Suggestions for the basket include but not limited to class trash can, a plastic crate, circle drawn on the floor*
